

RIDER SPAIN & PORTUGAL TOUR with Test Editor Greg Drevenstedt

13 riding days

→ **Full Description**

RIDER is one of the US's premier motorcycle publications and we are thrilled to join forces for this special tour. You'll start and end in Madrid where a new BMW motorcycle will lead you over the four mountain ranges found in Central Spain. You will discover charming 500 year old windmills, visit El Escorial (burial site of Spanish Kings) and see the 2000 year old Aqueduct in Segovia. Now combine this with Portugal where you'll visit Porto, famous for its delicious port wines, see charming Portuguese fishing villages, and visit Obidos the breathtaking medieval walled-city. You'll spend two nights in Lisbon to give you enough time to explore all her hidden secrets. Long sweepers through Central Portugal will bring back into Spain so you can explore Toledo and Cuenca before returning to Madrid for our farewell dinner. This really is the tour of a lifetime!
