

Yes, that's me on the road with  
IMTBIKE in Spain. The rain  
doesn't only fall on the plain!

# To go WHERE

And who can  
take you there

COMPILED BY THE BEAR

**I**T'S OLD HOME MONTH for  
the Bear in this issue. He's either  
been on trips with all of these  
tour operators, or he's borrowed  
bikes from them. Can't ask for better  
recommendations, then.
