

MotoGP Portugal Motorcycle Tour

From the mountains to the cliffs

Portugal

Portugal is now hosting the first round of the MotoGP calendar. This is an exceptional opportunity to share the excitement of the entire racing community in an unbeatable setting: the Autódromo Internacional Algarve. It's a unique circuit with a difficult combination of technical sections of rises and dips. It's earned the nickname of "the roller coaster." It's an old-fashioned track, only for the brave, where the rider is more important than the machine. The heated atmosphere of the passionate Portuguese fans puts the icing on the cake of a unique event.
