

Mediterranean Mountain Motorcycle Tour

From Málaga to Barcelona

Spain

April 19 - 30, 2026

Can you imagine a better plan for this Spring than riding a motorcycle up the Mediterranean coast from the south of Spain all the way to Barcelona?

The Mediterranean is famous for its beautiful beaches, mild temperatures, crystal clear waters and picture perfect towns. What's less famous are the many small mountain ranges that line the Spanish coast. These little known mountains are ideal for riding as they are chock full of twisty roads. These serpentine back roads wind through forests, canyons and over mountain passes with virtually no traffic and excellent asphalt.
